**2019 CHAMPIONS OF CHARACTER
NOMINATION PACKET**

The **Prattville-Autauga**

Character Coalition, a 501© 3 non-profit organization formed in 2007, works to strengthen our communities by promoting excellence in character for each citizen. To accomplish this, we highlight good character traits, provide educational resources, partner with character clubs and recognize those who have exemplified excellence in character in their daily lives to strengthen their homes, schools, neighborhoods and communities.

“Character sets the course of direction in our lives.”

To maintain continuity throughout our community and to help create a culture of character, every month we highlight a specific character trait. It is our goal to make individuals and families aware of this character trait through the workforce, schools, churches, governmental and private sectors, agencies, organizations, and the media. Our website allows the community to access valuable educational resources and also provides a place for our residents to share their “character stories”, allowing us to highlight those in the community that embody the meaning of true character.

The **Prattville-Autauga Character Coalition** is committed to the idea that through increasing awareness and promoting good character qualities we can create a stronger, safer and more unified community.

WHAT ARE THE CHARACTER LUMINARY AWARDS?

One of the important principles in creating a culture of character is that you will get more of whatever you choose to recognize or celebrate; if you celebrate good character you will see an increase in good character.

Every year since 2010, the Character Coalition has partnered with the *Prattville Area Chamber of Commerce* to host our Character Award Luncheon. This annual luncheon is a time for our community to come together and celebrate being one of only three “Communities of Character” in our state as we recognize and applaud the Character Luminary Award recipients.

WHO RECEIVES CHARACTER LUMINARY AWARDS?

Students, Individuals, Organizations and Businesses that are located in the Prattville-Autauga Community that have displayed exemplary character to strengthen their homes, schools, neighborhoods and communities.

WHY CELEBRATE CHARACTER?

Character is the expression of our decisions that we make on a daily basis; those distinctive qualities that determine our responses. It has been said that a person's true character is evidenced by decisions made and actions carried out when he or she thinks no one is looking.

The importance of good character can't be over emphasized. By recognizing those in our community that have displayed exemplary character, we are shining a light on the importance of good character in our community. Our citizens play a vital role in helping us with the Luminary Character Awards by submitting their nominations for those who have displayed exceptional character in their personal or public lives.

Nominations may be submitted by anyone that is knowledgeable of the nominee's actions that warrant the recognition. Nominations are being received in the following areas: Student, Educator, Citizen, GED/Adult Student, Business and Organization.
