**CHARACTER
COALITION**

The Prattville-Autauga Character Coalition awards grants to provide sustainable resources and community support which may not otherwise be available to the schools in Prattville and/or Autauga County to highlight and promote good character.

These grants are designed to promote, implement, enhance and/or expand character education, youth-development focused programs, and character building projects. If you are an employee of the Autauga County District School System, or an employee of a school located in and serving the children of Prattville and/or Autauga County, you are eligible to apply for a grant from the Character Coalition.

Grant cycle closes on October 20, 2017 and funds will be awarded in November 2017. Help us ensure our community remains one of character!
